On September 11, 2018, one of the most important events of the furniture industry in Asia - China International Furniture Expo began. China International Furniture Expo, better known as Furniture China, has been in a leading position in the industry for over two decades. This is one of the most important global B2B fairs. The event gathers over 2,300 exhibitors presenting contemporary, designer, upholstered and classic furniture, tables and chairs, FMC, garden furniture, children's, office furniture and others who present their new products to professional buyers from around the world on the exhibition area of 300,000 m².

As the most important furniture fair in the region, Furniture China attracts designers, producers of raw materials, construction associations and companies that are representatives of government construction institutions. During the four days of the fair, influential decision makers and market leaders gather to learn about the latest technological innovations and keep up to date with market trends.

Furniture China is the ideal platform for visitors to the trade industry to obtain high-quality furniture products and offers endless business opportunities with proven suppliers.

The Polish national stand (**booth No. E1 B10**) organized by the Polish Investment and Trade Agency in connection with the implementation of the promotion program for the furniture industry under Sub-measure 3.3.2 Intelligent Development Operational Program is the contact point between contractors and the place of promotion of the Polish furniture industry.

On the first day of the fair, a press conference for journalists was organized. Representatives of the media became acquainted with the potential of the Polish furniture industry during the speech of expert Sylwia Oleńska from the Polish Chamber of Commerce of Furniture Manufacturers.

The Furniture China will last until 14 September, 2018.
